

FERTILIZER INJECTOR SIZING WORKSHEET

For sizing assistance, fax form to H.E. Anderson Co. 1-918-682-3342

For:

Name _____ Date _____
Address _____ By _____
City _____ Phone _____
State _____ Zip _____ Fax _____
Phone _____ E-mail _____
Fax _____
E-mail _____

Basic Information:

Where Used: Greenhouse _____ Irrigation _____ Research _____ Other: _____
Powered by: Water _____ Air _____
Maximum Flow Used _____ Source: Well _____ Pond _____ Municipal _____
Minimum Flow Req'd _____ Pipe Size/Type _____
Pressure _____ (30–125 psi)

Optional Information:

Water pH _____ Target pH _____
Water Alkalinity _____
Is a Filter Installed? _____

Feed Requirements:

Fertilizers: Feed #1 formula used _____
ppm desired for: N _____ P _____ K _____
Feed #2 formula used _____
ppm desired for: N _____ P _____ K _____
Others: Acid _____ Chlorine _____ Other _____, Specify _____
Solution strength of chemical active ingredient _____

Other:

Is electricity available? _____
Electronic Monitors: pH (Recommended for acid feed) _____ EC _____
Do you need computer communications? _____

Comments: _____
